Subject: Annual Fuel Proceeding; SCPSC Docket No. 2014-2-E

Joseph, Jocelyn and David,

ORS would like to propose the below listed alternative dates to the Commission for SCE&G's Annual Fuel Proceeding.

ORS is requesting this change due to there being several other proceedings which the ORS Electric and Gas Department will be involved in at the same time as the current filing dates.

I have contacted Counsel for SCE&G and they concur with the requested new dates, provided that they will still have the ability to place any revisions to rates into effect by May 1, 2014. They are holding preparing notices based on my request here.

Thank you for your consideration.
